DECEMBER MEETING: GOVERNMENT AFFAIRS MONTH

*****NOTICE: THIS MONTHS MEETING IS ON THE SECOND THURSDAY OF THE MONTH
 DUE TO THE CHRISTMAS HOLIDAY*****

For all of those than made it to the presentation, I hope your first few weeks of “Zero Inbox” are going well! I can’t thank Pam Duffy enough for making the visit to our chapter. Not only is she a distinguished lecturer, but she also came down her on her own dime (no cost to the chapter). How awesome is that!

First off, I’d like to wish everyone in the chapter a Merry Christmas and Happy Holiday Season! As shown above, the meeting will take place a week earlier than usual, so make sure you plan accordingly. With it being a holiday season, we will be having a special lunch planned, as we typically have in the past.

As for the presentation this month, I couldn’t be more excited to have a State Representative from District 47, Paul D. Workman. Mr. Workman serves on the Energy Council, which helps facilitate the development of national energy policy matters among the Southwestern States. The policies he works on directly impact the work we do on a daily basis. I look forward to learning what the future of Government Affairs has in store for us.

Main Presentation: Laws and Policies in Construction by Paul D. Workman, State Representative District 47

Mr. Workman will be discussing the ongoing legislative polices that relate to the construction industry as well as the state of the current political climate.
